OVERVIEW

Ultra X Madeira offers 4 event distances across the race weekend from 25km to 110km.

Saturday is the first stage of the 110km race, which is 60km and will commence at 05:00 in Machico. The 60km single stage race will also commence at the same time along the same route.

The second stage of the 110km route, is 50km and will commence at 07:00 on the Sunday in Soa Vicente. The 50km single stage race will also commence at the same time along the same route with the race finishing in Machico.

The 2025 Edition of this event will also offering a 25km event starting in Sao Jorge.

There are checkpoints stationed approximately 10km apart where competitors can access water, shade/shelter and if necessary, medical support.

If you are looking to combine a race with a holiday, then you have plenty of options. Competitors can choose from relaxing on Seixal Beach, Dolphin and Whale watching excursions, or getting stuck into what the island is well known for; delicious Madeiran wines. We recommend that competitors book accommodation in Machico on the Friday night before and the Sunday night after if you are a 110km runner.

On Saturday night, 110km runners will camp near Sao Vicente, where they can enjoy medical care and hot water with which to rehydrate their dehydrated meals. If you are a 60km runner a shuttle service is provided at the finish line from the campsite in Soa Vicente if you choose to return late on Saturday evening to Machico (included in your race ticket). For 60km runners, there is also the option to camp on Saturday night and return to Machico early Sunday morning. Camping (pitch and tent included in add on purchase) and the Sunday shuttle service are not included in your race ticket and can be purchased at online registration on your race space page as an add on option. We recommend that competitors book accommodation in Machico on Saturday and Sunday night if you are a 50km or 25km runner.

Ultra X Madeira offers UTMB® indexed races in the 100K, 50K and 25k categories.

KIT CHECKS

Kit checks will take the form of spot checks, which will be carried out at random throughout the race. Randomised checks will occur at registration, the start line, checkpoints, the campsite, and the finish line.

DROP OUTS

This is an extreme event and voluntary or imposed withdrawal does happen. This is taken seriously and handled with great respect by the race organisation.

Participants may withdraw from the event at any time. We request that any competitor who wishes to stop their race informs the organisation and hands in their tracker in at Race HQ.

Should a participant retire or be withdrawn from the event, all additional costs incurred (accommodation, transfers, food, etc) must be covered by the participant.

Withdrawal or being withdrawn from the race will not automatically allow the participant to become part of the crew. The participant will only be allowed to join crew members at checkpoints with permission from the Race Director.

RACE BRIEFING

The race safety briefing will be issued in the form of a PDF via email in the week before the race

SLEEPING

The campsite tent accommodation on the Saturday night is for 110km runners (included in race entry) and will feature tents that can accommodate several competitors.

Competitors will be allocated tents on arrival at random by gender.

CUT-OFFS

We want everyone to finish the race whilst enjoying the scenery. We therefore have generous time allowances of 2.5hrs to 4 hrs per 10km.

Participants must have departed the checkpoint before the cut-off time, or they will not be allowed to continue. Cut offs are subject to change by the Race Director. Any changes will be communicated to participants.
