To make kit checks more efficient, each food item must be labelled with the number of calories it contains. Food parcels which have been assembled by the participant must have a sticker estimating their calorie content. In line with our [Sustainability Policy](#), participants must also label all disposable packaging with their bib number. Any packaging found littered will put the corresponding participant at risk of disqualification.

Participants can bring as many bags (waterproof race holdalls are advised) as can be stored within their tent or vehicle (as mentioned in the [Race Information Pack](#)).
