Feel free to bring additional supplies, equipment, or personal items.

To make kit checks more efficient, each food item must be labelled with the number of calories it contains. Food parcels which have been assembled by the participant must have a sticker estimating their calorie content. In line with our [Sustainability Policy](#), participants must also label all disposable packaging with their bib number. Any packaging found littered will put the corresponding participant at risk of disqualification.

Race holdalls (which will be transported between campsites) must not exceed 14kg and must be waterproof (as mentioned in the [Race Information Pack](#)).
