To make kit checks more efficient, each food item must be labelled with the number of calories it contains. In line with our [Sustainability Policy](#), participants must also label all disposable packaging with their bib number. Any packaging found littered will put the corresponding participant at risk of disqualification.

We are proud to have partnered with Lifesystems, manufacturers of the highest quality outdoor expedition gear to ensure you're never short of any kit list requirements. From first aid kits, repellents, survival bags, to torches and lighting, Lifesystems have you covered and now we do too!
